About This Game

Journey with "Haha" as she ascends a deadly tower in this exciting puzzle game. Face new challenges in each room, including new obstacles, enemies and traps. Don't rely on your speed or strength to get you through this; only your smarts can help you reach the top.

Features

- Challenging and fun puzzles
- More than 50 mind-bending and treacherous rooms
- Beautiful 2D, top-down graphics
- Full controller support
- Puzzles that build on what you've learned
- Absolutely no in-app purchases or any of that junk
- Retro-style Gameplay
- Numerous enemies ranging from harmless to instantly deadly

-
- Yes, her name actually is "Haha"!
