About This Game

From **EleFun Games**, creators of the *Fear for Sale* and *Witches' Legacy* series, comes a brand-new *Mayan prophecy* to uncover!

Wild jaguars are running loose down the streets of a coastal South American town, but this is no act of nature - a hooded man is transforming people into jaguars and controlling them! U.S. Coast Guard Officers Alexis and Gregory are on the case, but they're up against a mighty foe. A young Mayan priestess claims that the Jaguar God is behind the attacks, continuing a war with the Moon Goddess that has raged for centuries. You'll need all your skills to save the world from erupting into chaos in this thrilling Hidden Object Puzzle Adventure game.

This is a special Collector's Edition release full of exclusive extras you won't find in the standard version. The Collector's Edition includes:

Explore a world of forgotten gods in the bonus game!
Horoscopes from the ancient Mayans
Hidden birds and morphing objects to find
An available Strategy Guide

This is a Hidden Object Puzzle Adventure game, meaning a specific genre of story-driven, point & click adventures. Throughout the game, players are tasked to find a list of objects hidden within a particular scene, and to occasionally complete various mini-games/puzzles.

Two years have passed since Cursed Island. That poacher escaped\u2026 but now he\u2019s back, trying to resurrect a Jaguar God. Since one of the first things he does is to curse your partner Gregory (who might also be a love interest; unclear), you really want to stop him. And that\u2019s before you find out how dangerous this plot could be to the world\u2026

HO scenes are fun, the plot is engaging, and the minigames are well-done. Get the bundle as the three Mayan Prophecies games are a continuous story.
